About Me

I am a passionate Full Stack Development student at Uki Technology School with a strong interest in building modern web applications and continuously improving my technical skills. I am highly motivated to grow in the IT industry and enjoy learning new technologies related to Information Technology. I have experience working with HTML, CSS, JavaScript, Node.js, Express, MongoDB, and responsive web design projects.

I am eager to become a successful IT professional by gaining real-world experience, solving practical problems, and contributing to innovative software solutions. I am a quick learner, a good team player, and always excited to explore new opportunities in the technology field.

Technical skills

- **Frontend:** HTML5, CSS3, Tailwind CSS, JavaScript (ES6), Responsive Web Design, DOM Manipulation
- **Backend:** Node.js, Express.js, REST API Development
- **Database:** MongoDB, Mongoose
- **Tools & Platforms:** Git, GitHub, VS Code, Postman, MongoDB Atlas
- **Concepts:** CRUD Operations, Authentication Basics, JSON, API Integration, MVC Architecture

Projects

Portfolio Website

Designed a professional portfolio website using HTML, Tailwind CSS, and JavaScript with responsive UI and smooth animations.

Student Management System

Built CRUD APIs using Node.js, Express.js, MongoDB, and Mongoose. Managed student records and connected MongoDB Atlas database.

Signup & Authentication Form

Built a registration form with password validation, show/hide password functionality, and localStorage integration.

Education

J/Hartley College

Finished my Ordinary Level education

Finished my Advanced Level education

UKI Technology School

Full Stack Development Student (Expected to graduate in Aug 2026)

Soft Skills

- Problem Solving
 - Team Collaboration
 - Communication
 - Good sportsman
 - Fast Learner
 - Good speaker
-

Languages

- English
 - Tamil
-
